

5th NRW PhD Day on „Future Bioeconomy“

SAVE THE DATE!

6th October 2020 (full day)

Dorint Düsseldorf/Neuss or virtual

The goal is to gather young scientists from different scientific fields and locations in NRW, providing them a frame for networking and discussions about future developments and career paths in the bioeconomy.

Requested as speakers are representatives of:

KWS Saat, Adidas, Zentis, Evonik,
CarbonMinds,
Project „Healthy Crops“, IPK Gatersleben,
Landwirtschaftsverband Rheinland

Impulse lectures + personal exchange with the speakers

Organized by:
