# JÜLICH BIOTECH DAY 2023

Friday, 10 November 2023

Lecture Theatre of the Central Library, Forschungszentrum Jülich GmbH

## PROGRAMME

10:00 – 10:30	<b>Get together and registration</b>	13:50 – 14:15	<b>Julia Frunzke</b>
10:30 – 10:40	<b>Welcome</b> <b>Peter Jansens</b> Member of the Board of Directors, Forschungszentrum Jülich	14:15 – 14:40	<b>Thomas Classen</b> IBOG, Heinrich-Heine-Universität Düsseldorf <i>“Regional, seasonal, collateral - alkaloids made in the region”</i>
10:40 – 11:30	<b>Selin Kara</b> Aarhus University, Denmark & Leibniz University Hannover <i>“Engineering meets enzymatic synthesis towards efficient biocatalytic transformations”</i>	14:40 – 15:30	<b>Roland Wohlgemuth</b> Technical University of Lodz, Lodz, Poland <i>“Biocatalytic reaction platforms for safe and sustainable metabolite manufacturing”</i>
11:30 – 12:20	<b>BioSC lecture</b> <b>Verena Siewers</b> Chalmers University, Gothenburg, Sweden <i>“Synthetic biology tools for yeast metabolic engineering”</i>	15:30 – 16:10	<b>Coffee break</b>
12:20 – 13:50	<b>Lunch break</b>	16:10 – 17:00	<b>Lutz Schmitt</b> Heinrich-Heine-Universität Düsseldorf <i>„The hemolysin system from E. coli – from secretion to application“</i>
		17:00	<b>Closing</b>
